## VIRTUS GALA

In a mesmerising contrast of black and white, Virtus Gala dining collection creates the sophisticated aesthetic of Versace. **A Work of Art! The Rosenthal meets Versace Virtus Gala series is expanded into a dining collection**

In 2022 Rosenthal meets Versace expands the successful Virtus Gala series as full service décor. Black, white and gold are fused together on a tableware collection that explores Versace's Barocco aesthetic. Inspired by the brand's iconic designs, the new porcelain references elegant evening dresses and the sophisticated Virtus handbags. The iconic Barocco V is at the center of the tableware line, surrounded by stylized acanthus leaves. The mix-and-match of various plates, cups, bowls, plates, jugs and gift items in Virtus Gala Black and Virtus Gala White provide a stylish contrast.
